If approved at the forthcoming AGM, the Proposals will take effect from the passing of the ordinary resolutions relating thereto and will continue to be in force until:

- (i) the conclusion of the next AGM of the Company following the forthcoming AGM, at which time it shall lapse, unless the authority is renewed by an ordinary resolution at the said next AGM; or

- The BPB Group's pricing for the goods to be provided or supplied and/or received or purchased is negotiated between the BPB Group and Related Party based on the prevailing market prices as agreed with unrelated third parties;
- The terms are no more favourable to the Related Party than those extended to unrelated third parties and available to the public and the Recurrent Related Party Transactions are not detrimental to minority shareholders;
- The transactions are provided after taking into account factors such as pricing, quality, delivery schedules and, where applicable, preferential rates, rebates or discounts accorded for bulk purchases, the terms offered are fair and reasonable and in the BPB Group's commercial interests;
- The competitiveness in pricing;

3. RATIONALE AND BENEFIT

3.1 Rationale of the Proposals

The Proposals are intended to enhance the Group's ability to pursue business opportunities, which are time-sensitive in nature, and will eliminate the need to announce, or to announce and convene separate general meetings on each occasion to seek shareholders' prior approval for the entry by the relevant company in the Group into such transactions. This will substantially reduce the expenses associated with the convening of general meetings on an ad hoc basis, improve administrative efficacy considerably, and allow manpower resources and time to be channelled towards attaining other corporate objectives.

3.2 Benefits to the BPB Group from Transacting With the Related Parties

The Recurrent Related Party Transactions entered into by the BPB Group are intended to meet business needs at the best possible terms. The BPB Group should be able to have access to all available markets and products and services provided by all vendors including its Related Parties. Kuala Lumpur High Court Suit No. WA-22NCvC-860-12/2018**CIMB Islamic Trustee Berhad and BPB vs Setia Fontaines Sdn Bhd**

On 28 December 2018, CIMB Islamic Trustee Berhad (“First Plaintiff”) acting as trustee for BPB and BPB (“Second Plaintiff”) filed a Writ of Summons and Statement of Claim on Setia Fontaines Sdn Bhd (“Defendant”) for breach of a Sale and Purchase Agreement dated 22 December 2016. The claim was in respect of damages amounting to RM37,207,353.35 for goods and services tax (GST) due from the Defendant together with interest at the rate of 8% per annum and other costs and relief deemed fit by the Court.

In July 2019, the Defendant filed an application for a judicial review against the Customs decision that if the Lands (as defined in the said Sale and Purchase Agreement) were intended to be used for commercial or mixed development purposes, then the commercial portion was subject to GST. The Plaintiffs were not party to the said judicial review proceedings. Pursuant to the court’s decision on the judicial review delivered on 11 September 2020, the Plaintiffs’ solicitors were informed that the court had decided, among others, that the sale of the Lands was an exempt supply under the GST (Exempt Supply) Order 2014 and was not subject to any GST.

The Minister of Finance and the Director-General of Customs had not filed any appeal against the judicial review decision. The Group had therefore submitted a request to Customs in November 2020 for the GST refund of RM37,207,353.35.

On 11 May 2021, the Plaintiffs had withdrawn the suit against the Defendant. On 21 May 2021, Customs had approved the Group application for GST refund and refunded the full amount of GST on 5 August 2021.
